

POWER RANGERS LOST GALAXY

"Green Courage"

Episode #317

COMM. STANTON The meteoroid field will be here in approximately two hours. We'll be safe as long as we change course.

RENIER Looks like you have everything under control, Commander. Carry on.

DAMON Excuse me, ma'am...

GUARD Freeze!

DAMON Chill out, guys. I'm just trying to give her back this paper.

RENIER Guards, it isn't against the law to be polite. Thank you.

RENIER Oh, a little grease too.

DAMON Sorry about that, ma'am.

KEGLER This is a disaster!

KEGLER A meteor has hit the engine room!

DEVIOT We must have been attacked. Stingwingers, prepare for battle. We'll annihilate the foolhardy space trash that--

KEGLER Trakeena! Look what I've just found in the engine room!

DEVIOT An explosive device!

TRAKEENA Relax, Deviot. It's just a meteoroid.

KEGLER No, don't relax! That was just the first wave. Look! There's another meteor field heading right for us, and they're the size of firetrucks! And if they hit us, well...

TRAKEENA Kegler, change course!

KEGLER No can do, your Evilness. This thing smashed into the engines. I'm afraid that we're not going anywhere.
